SUMMARY

BE CSE graduate with training in Java Full Stack Development. Skilled in Java, Spring Boot, MySQL, HTML, CSS, JavaScript, React and REST APIs. Developed full-stack projects using Spring Boot and Django. Seeking entry-level Software Engineer or Java Developer opportunities.

INTERNSHIP EXPERIENCE

AI/ML Intern, Feather Softwares

Nov2024

- Attended internship sessions on Artificial Intelligence and Machine Learning (AIML).
- Gained basic understanding of data preprocessing and machine learning concepts.
- Observed practical demonstrations of model training and evaluation.

PROJECTS

Smart Health Monitoring System

Technologies: Python, Django, HTML, CSS, JavaScript

- Built a web-based health monitoring application.
- Tracked patient information and health records.
- Integrated emergency alert functionality.
- Developed user interface using HTML, CSS, and JavaScript.

Employee Management System

Technologies: Java, JDBC, MySQL

- Developed an application for managing employee records.
- Implemented Create, Read, Update, and Delete (CRUD) operations.
- Connected application with MySQL database.
- Managed employee information efficiently.

SKILLS

Programming:	Java, Python
Web Technologies:	HTML, CSS, JavaScript, React
Backend:	Spring Boot, JDBC, REST APIs
Databases:	MySQL, SQL
Testing & Tools:	Manual testing, GitHub, VS Code, Eclipse, Microsoft Excel

CERTIFICATIONS

Java Full Stack Development – JSpiders Training Center, Chennai

Dec2025

- Completed professional training in Core Java and Object-Oriented Programming concepts.
- Learned Collections Framework, Exception Handling, and Multithreading.
- Gained hands-on experience with JDBC for database connectivity.
- Learned SQL and MySQL database design and query writing.
- Developed web pages using HTML, CSS, and JavaScript.
- Built backend applications using Spring Boot framework.
- Developed and tested RESTful APIs.
- Worked on full-stack projects integrating frontend, backend, and database technologies.

EDUCATION

Bachelor of Engineering in Computer Science (BE CSE)

Stella Mary's College of Engineering, Kanyakumari

2021-2025 | CGPA: 7.30/10
